VOL. XLII. UPLAND, CALIFORNIA, TUESDAY, NOVEMBER 17, 1936. NO. 58.

TOTAL OF $717 IS SECURED IN SICK BABY FUND DRIVE

Mrs. Earl H. Johnson Reports Results of Campaign by Baby Brigade

AUXILIARY IN SESSION

Reports of Various Auxiliary Chairmen Made During Meeting Monday

Outstanding among the various splendid reports made during the meeting of the Auxiliary of San Antonio Community hospital held Monday afternoon in the hospital library, was the announcement by Mrs. Earl H. Johnson that the unique financial campaign conducted by the baby brigade has thus far brought in a total of $717.50 to the sick baby fund and more contributions are coming in. As general of the army, Mrs. Johnson enlisted a certain number of captains, who in turn enrolled a larger number of lieutenants, and they in turn secured scores of privates, each of these volunteers contributing certain amounts to the sick baby fund.

The money is used entirely to supply medical attention and hospitalization for sick babies who otherwise could not have such care, and Mrs. Johnson is highly gratified with the results of her campaign.

The meeting, the first business session held since May, opened at 3 o'clock with Mrs. Sanford Ballou, president, presiding, and roll call showed 17 organizations represented.

This was the day for the annual canned fruit shower and 172 quarts of fruit and 8 jars of jam were received.

Mrs. J. F. Grass, Jr., gave a report of the silver tea held early in the fall at the Drew home, when $31.65 was taken in and a gift of $50 brought the total to $81.65.

The report of the treasurer, Mrs. Harold Latimer, showed the balance on hand in the general fund to be $251.73, and the balance in the infantile paralysis fund, $128.21.

Mrs. R. R. Harrington, chairman of the free bed fund, reported that since May five persons have been cared for at a total cost of $240.32, and $29 has been repaid. A gift of $11.60 was received from the Lions club and the interest accumulated by the trust fund places the balance on hand at $412.42.

Hospital sewing has been done since May by 94 women of 16 organizations, who put in 244 hours of work, it was shown in the report made by Mrs. John Scott of Etiwanda. Mrs. Scott stated the work had hardly slackened even during the hottest summer weather.

Miss Jane Chandler, chairman of the surgical dressings committee, reported that since May a total of 20,750 dressings had been made.

Mrs. Clyde Duncan gave the membership report, showing 17 organizations represented, 66 cash members and 158 service and donation members, making a total of 224.

The Auxiliary decided to provide the Thanksgiving turkey for the hospital patients and nurses.

At the close of the session Dr. A. A. Aita, business manager of the hospital, spoke briefly of his recent visit to various hospitals and clinics in the east and his study of hospital management.

Cucamonga Water Co. Reelects Directors

Annual meeting of the Cucamonga Water Co. yesterday resulted in reelection of all the directors. Report for the past year's work revealed that water was furnished on regular service to many growers in the district. New water rate for the coming year will be set by the directors. John Klusman served as president during the year.

Other directors are F. A. Lucas, H. A. deBerard, George Winter and A. C. Beattie.

Insurance Building Work Starts Soon

Work will be started soon on a new building for the San Bernardino County Mutual Fire Insurance Co. on C street between Euclid and Laurel avenues, Ontario. James Castle & Son have been given contract for the job.

Several Uplanders are interested in the company.

Grid Game to Raise Money for Uniforms For Band Proposed

ranging of a post-season benefit football game to create a fund for the purchase of uniforms for the Chaffey band.

Ontario chamber of commerce named a commttee last night to plan for a game on Graber field at an early date. Either the high school or junior college team will be lined up with one of the several available outstanding opponents in the southland.

Chaffey's band is gaining wide attention as a leading musical organization. At one time assurance was given that money would be available for uniforms. Money did not materialize. Rather than to allow the band to appear always without uniforms a movement was started to obtain funds.

Upland civic leaders had mentioned the possibility of some kind of a benefit performance.

The Ontario chamber directors met to organize last night. Plans for a benefit game were discussed and a committee named with power to act. On the committee are Ed Lowe, Harvey Chapman, Jr., Roy Bradley, Miller Dietz and R. F. Graettinger.

Friday's game is the last one in the league schedule for the high school team. If it wins Chaffey will play in the southland title race. Chaffey jaysee team has two more scheduled games.

ORATORIO SOCIETY PLANS ON CONCERT

First Program Will Be Presented Next Month by Singing Group

The Upland Oratorio society, now in its third season, will give two concerts in December, presenting Handel's "Messiah." Miss Elmossian Zaruhi will be the soprano soloist. She comes from the Trinity Methodist church in Los Angeles, and has also sung with the Philharmonic orchestra. Miss Elizabeth Wright, well known contralto from the First Methodist church of Upland; Archie L. Moore, popular base singer of this community, and Elvin Ebersole, Chaffey a cappella choir tenor soloist, will all have important parts in the concerts.

The first concert will be given on Dec. 6 as a vesper service at the First Mennonite church. The same program will be presented Dec. 13 at the First Methodist church in Ontario as an evening program.

The Oratorio society has a membership of about 75 and the director, the Rev. Lester Hostetler, and the singers anticipate very successful performances.

Andreas Tells Plans For More Inspectors

Thirty-five more inspectors for mines and other places where silicon is obtained will be sought at the next legislature, Godfrey Andreas said today on his return from a meeting of the silcosis committee of the California legislature.

While workmen's conditions in the mines were reported as fairly good, those in charge of inspection pointed out the need for additional employes. The meeting was held in San Francisco. Mr. Andreas attended ceremonies opening the new San Francisco-Oakland bridge.

Adam Book Hears of His Brother's Death

A message received on Monday morning by Adam Book, 612 Third avenue, brought news of the death of his brother, John L. Book, of Creosote, Wash., who passed away a few hours before. Mr. Book had visited his brother and other relatives here a number of times in recent years and was well known to many friends in Upland.

Although he had not been seriously ill, Mr. Book had been in failing health for some time and because of his advanced age his death was not unexpected.

Tax Collections in County Set Record

Tax collections in the county are today far ahead of the amount received from taxpayers at this time a year ago.

First half of the 1936-37 tax bill will be delinquent Dec. 5.

MAN KILLED WHEN HIT-RUN MOTORIST HITS PEDESTRIAN

Roy Pace, Ontario, Instantly Killed on A Street by Unidentified Driver

FOUR SEE THE ACCIDENT

Police Search for Man Who Hits Ontarioan and Fails To Stop

Police of the county and the southland are today looking to locate a black automobile which last night struck and killed Roy Pace, Ontario. Driver of the car did not stop. Pace died instantly of the wounds. An inquest is to be held.

The accident occurred on East A street, 300 feet east of Bon View avenue. Four witnesses are unable to definitely state whether the machine is a sedan or a coupe.

Mr. Pace, who resided at the Poppy Auto court, was walking across A street. He was struck when almost across. Force of the impact threw him 66 feet. Windshield of the car was shattered. Only clew to the car are pieces of the glass.

E. H. Armstrong, Redlands; John Gobel, John Nielson, Jr., and George Barber saw the car prior to the crash, but none was able to accurately describe the car.

Mr. Pace had resided in California only a few months. He had just returned to Ontario from visiting a friend in Riverside. On parking his auto on the north side of A street he started to cross the street and had almost reached the south side when he was struck. His body was badly mangled, his skull crushed, legs fractured and shoulder broken. He also suffered internal injuries.

Driver of the car failed to even slacken his speed after the crash.

Refunding Cash Paid For Concert Tickets

As had been previously stated in The News, the concert which was scheduled to be held at the Upland Woman's club house on Nov. 30 has been cancelled and money is being refunded to those who have purchased tickets and paid for them.

Any who have paid for tickets and have not received their refund may secure same by notifying Mrs. L. E. Moser, phone 314-634, and presenting the tickets for redemption.

Shipments of Lemons Figure in Activity

Lemon shipments are featuring citrus activities in the Upland district this week, as they did last week.

Thirty-four and one-half carloads of lemons were sent from local citrus associations last week.

MISSIONARY WORK SUBJECT THURSDAY

Laymen of Community Will Unite in Annual Meeting—Hear Address

Work of missionaries at home and abroad will be a subject discussed at the annual Laymen's Missionary group here Thursday night. The meeting will be held in the dining hall of the First Mennonite church, with dinner being served at 6:15 o'clock.

The speaker will be Dr. R. M. Donaldson, former missionary superintendent in the five northwest states. A forceful speaker and fluent in describing the needs and accomplishments of religious workers, Dr. Donaldson's message will be the high light in the program.

Many men in the community are expected to attend the meeting. The Laymen's Missionary movement here is sponsored by all the local churches and the meeting is an annual occasion for Upland men to unite to think of religious activities. J. Harvey Siegrist is general chairman. Each church has a representative in directing the program and the representatives follow: Charles Perrin, Methodist; Dave Dahlem, Mennonite; W. S. Avery, St. Mark's; F. E. O'Brien, Presbyterian, and Alvin Eshelman, Brethren-in-Christ, and Harold Merchant, Nazarene.

Activities Here Summarized

Many activities and events of interest to the general public are occurring in the Upland district. In the paragraphs following are given a resume of events and announcements of meetings and other items of interest.

"Rolling Hotel" Will Be Seen Here Soon

Termed a "rolling hotel," the latest creation in Pullman equipment for the Santa Fe railway system will be seen on a train going through Upland soon. It will go into service Nov. 21 in place of the observation car on the Chief.

The new equipment is a streamlined two-car unit. It has rooms incorporating the two story plan for upper and lower berths in part of the space. First car of the unit, named Advance, is the duplex type, containing 16 rooms. These include two bedrooms with upper and lower berth accommodations, and 14 single rooms equally divided. The second car, named Progress, contains a compartment and three double bedrooms, two of them ensuite.

Andreas Gains Votes in Absentee Ballots

Godfrey Andreas, successful candidate for assemblyman, received an additional margin over his opponent, Wardwell D. Evans in the count of absentee ballots.

Andreas polled 458, Evans 386 and DuBois 55.

The Democratic ticket received nearly two to one more votes than did the Republican in the absent voter count.

City Council To Study Building Plans

Plans for the proposed city hall here will be given further study at the meeting of the Upland city council Thursday night. Richard G. Manley, city service manager, and some of the councilmen have inspected recently constructed municipal buildings to obtain information on furnishings and arrangement of offices.

Detailed building plans for the structure are being prepared.

County Is Fifth in Nation, Financially

This county is one of the five soundest counties financially in the nation, M. W. H. Williams, county treasurer, said yesterday in speaking at a meeting in San Bernardino. Not one cent of public money was lost in the county during the depression, he said.

"Financial stability," he said, "is based on bond values. Highway and hospital bonds as well as bonds of the various school districts are considered in compiling the rating.

He pointed out that the county has been listed in a national tabulation as fifth in the financial rating.

Legion, Communism To Be Discussed

"The American Legion and Communism in San Bernardino County" will be discussed at the meeting tonight of the county interpost council of the American Legion.

The Upland post will be represented. The meeting will be held in Yucaipa. A movement is reported to be underway to seek legislation that will prove more effective against Communism than the present state criminal syndicalism act.

Eggs Hit Highest Mark Of Many Months

Of interest to local poultrymen —as well as local egg consumers —is the new high mark in the wholesale price of the hen product, 40 cents a dozen. This is the price quotation in Los Angeles, local poultrymen receiving from 1½ to 3c a dozen less.

This is the highest market egg price for many months. It is reported to be justified due to the high price of feed.

EUCLID BUSINESS SITE IS OPPOSED

Planning Commission Favors Rigid Enforcement of Zone, Tree Laws

Present zoning law and tree planting law will not be changed and removal of trees will not be given favorable consideration as far as the Upland planning commission is concerned.

These points were given consideration at the first meeting of the commission in several months. The group met Friday night.

W. K. Beattie was reelected chairman; C. A. Baeuerlen, vice-chairman, and Richard G. Manley, secretary. The commission's actions are in the form of recommendations, which will be presented to the city council Thursday.

Request that the southeast corner of Euclid avenue and Foothill boulevard be opened up for business was presented to the commission. Permission to remove trees along certain places on Mountain avenue and elsewhere in the city was sought. Property owners also sought to place trees other than in accordance with the city law.

To all of these matters, the commission voted to sustain the present zoning and tree planting laws Placing of a service station on Euclid at Foothill was sought but the zoning officials prefer to continue the policy of protecting Euclid from business concerns.

Operations Claim Hospital Patients

One of the largest number of operations ever performed in a short time have occurred at the San Antonio Community hospital.

All of the patients are reported to be making satisfactory recovery. Among the patients are Mrs. Milo Gilbert, 286 Laurel avenue; Juanita Head, daughter of Mr. and Mrs. Alvin Head, 814 Washington boulevard, and Virginia Beardsley, daughter of Mr. and Mrs. Bruce Beardsley, all of Upland; Evelyn Hammond, daughter of Mr. and Mrs. Robert L. Hammond, Venice, and Mrs. Clarence French, 425 East F street, Ontario.

RED CROSS WORKERS WILL SOLICIT FUNDS

Calls Will Be Made at All Homes Where Stickers Not Displayed

Because response to the Red Cross roll call is decidedly lagging behind the pace set in other years, personal solicitation will be started Thursday morning, it was announced this morning by Earl E. Hawthorne, roll call chairman, after a conference with members of his committee and officials of the Upland Red Cross chapter.

For five days members of three women's organizations have maintained four subscription tables in the down town area and Mr. Hawthorne estimates about 325 persons have been enrolled, less than half the quota assigned to Upland.

No reports have yet been received from San Antonio Heights, Alta Loma, Cucamonga and Etiwanda, members of the Upland chapter. The quota for the combined communities is 750.

The city of Upland has been divided into three districts and the house-to-house canvass will be made under the direction of Mrs. F. C. Buffington in the territory lying north of G street and to the city limits east and west.

Mrs. R. C. Norton will have charge of the district between C and G streets, extending to the city limits and Mrs. V. H. Wilson will direct the work in the area lying south of C street.

Each director will have a corps of assistants and solicitation will be made at each house where no Red Cross sticker is displayed. All persons who have enrolled have received the stickers and these should be placed in the windows at once.

Below is given an incomplete list of those enrolling up to Monday night, supplementing the list previously printed, all names not yet having been recorded.

L. A. Fox, Mrs. A. E. MacLaren, Dr. and Mrs. Bert Foster, Mrs. Gumprecht, Mr. and Mrs. O. P. Brady, Mrs. Earl H. Johnson, Mr. and Mrs. Oscar Gaither, Mr. and Mrs. O. H. Price, Miss Mary McGilvra, Miss Sinabel Hart, Earl H.

(Continued on Page Three)

CHAFFEY EAGERLY AWAITING POMONA CONFLICT FRIDAY

Tigers Will Be Citrus Belt League Champions if Game Is Won

ELEVENS ARE TIED NOW

Bitterly Fought Battle Expected With Teams on Even Basis

If Chaffey students, past and present, need something to pep up their interest in the big grid game Friday afternoon, direct their attention to these standings:

	W.	L.	Pct.
Chaffey	3	0	1000
Pomona	3	0	1000

At 2:30 o'clock Friday afternoon on Graber field, 22 young men will face each other. About 2500 other young men and women and about 2500 older men and women will be fighting in spirit along with the two teams.

In the many years the closely located and rival institutions have been battling each other the "big" game has not been as much of a climax as is this year's gridiron conflict. The winner will be champion of the Citrus Belt league as well as victor over its rival foe. It's the last regular game for both teams. The loser will fold up for the season. The winner will participate in the Southern California football championship series.

If Chaffey already had the league title sewed up and if Pomona had not won a game this year, Friday's conflict would be very bitterly fought. The Tiger season really would not be successful without a win over Pomona.

The situation is far from being just another big game between Chaffey and Pomona. More than that, it is a game to see which eleven will be the one to enter the southland title series. It will be a game to see which team takes its first league defeat of the season. On paper there is not much to choose between the two teams. On comparative scores Pomona may have the slight edge. Chaffey has displayed power, team work and a tremendous amount of fight but the victories have come in smaller margins than they have for Pomona.

In most games comparative scores count for almost nothing. And in Friday's game records can be forgotten in trying to forecast a favorite.

Clinic Here Checks On Students' Eyes

Check on the eyes of all elementary school children in Upland is under way today. Dr. Ralph D. Ryan, local optometrist, is inspecting the children's eyes as part of a clinic being conducted here.

Parents will be advised of cases needing attention. The Junior Welfare league will financially assist in making possible eye corrections if parents are unable to pay for the materials.

RADIO REPORTER IS INTERESTING

Sam Hayes Tells Serious and Comic Side of News in Address Here Today

Sam Hayes, known to many thousands of radio fans as the "Richfield reporter," was guest speaker at the meeting of the Upland Rotary club today noon. Mr. Hayes, who uses lightning speed in reading news items over the air, talked almost as rapidly before the club and guests. He gave news four classifications—good, bad, important, interesting; and his talk certainly qualified as the latter. Excerpts were read from some of the amusing letters he has received during his more than five years on the air, also reading some very amusing news items. Mr. Hayes made it known that a radio reporter must be very careful in his pronunciation of words, as many letters are received taking him to task for what some of his listeners believe are mispronounced words. The matter of putting news items in as few words as possible was also shown to be important.

Mr. Hayes has interviewed many notable personages and excerpts from several such interviews proved most interesting because of their unusual material.

Preceding Mr. Hayes, the program chairman, Gardiner W. Spring, called upon our serious minded city manager, R. G. Manley, for a talk on "Why a Man Should Not Shave." In this talk "Dependable Dick," who carries the troubles and responsibilities of the whole city on his "Manly" shoulders, assumed the role of humorist—a quality not heretofore known by his most intimate associates to be one of his characteristics. His 'reasons why" a man should not shave were many and varied and kept "his hearers" in an uproar most of the time—especially when he demonstrated his subject most effectively by making an example of himself.

The club president, Dr. Robert E. Stone, presided at the meeting. He also announced that at the regular meeting time next Tuesday noon the club members will entertain their wives.

Diagonal Parking In Ontario Ordered As New Law Likely

Diagonal parking of automobiles at the outside curbs of Euclid avenue in the Ontario business district is permitted today as the result of action taken by the city council last night. The change is from parallel parking along the curbs, a plan in effect for several months.

Due to the opposition to the parallel parking plan and due to the likelihood of the state legislature changing the law permitting diagonal parking, Ontario officials took the step. Two weeks ago they were advised unofficially the state highway department would not oppose diagonal parking.

A definite movement is reported to be underway to ask the legislature in January to amend its law affecting state highways permitting diagonal parking. Ontario council based its change to diagonal parking on the grounds that the state law is likely to be changed and that diagonal parking is permitted other places on state highways.

"If the state legislature does not change the law we may have to go back to the parallel parking plan," W. B. Hollingsworth, Ontario councilman, said today, in explaining the situation.

The change made last night is a return to the former plan of parking, except that parking is not permitted against the curbs adjacent to the parkway in center of the avenue.

$350,000 IN WPA WORK FOR ONTARIO

City Gets Many Improvements During Past Months in Relief Plan

City of Ontario has received improvements estimated to value $350,000 from the WPA, Austin Burt, city service manager, reported at the Ontario council meeting last night.

He reported this total in connection with a WPA request that plaques be placed on the Ontario city hall and other improvements built with WPA assistance. The plaques would be so worded as to give credit for the improvement to the WPA and the city of Ontario.

The officials turned down the request.

Many routine matters were considered by the officials but in the routine meeting they paid a high tribute to W. B. Kingery, aged resident who has been working in the Ontario water department for almost 30 years. Mr. Kingery submitted his resignation. It was rejected and he was placed on a salary of $25 a month for nine months. At the end of that time he will have completed 30 years of service. Milo Farrar was added to the water department at a $125 monthly salary.

First reading was given to a police ordinance which consolidates into one act features contained in many ordinances adopted in the last 30 years. The proposed law says nothing about a ban on women's slacks, a proposed feature which stirred opposition.

C. A. Jack, 830 South Euclid avenue, who was away from his home all summer but whose water bill in one month amounted to $29, was given a reduction of nearly $20 in the bill.

SECURITY LAW TO AFFECT EMPLOYES IN CITRUS WORK

Fruit Pickers and Packers Are Not Exempt in Agricultural Clause

FORMS ARE DISTRIBUTED

Employers Are To Return Data To Postoffice Tomorrow In National Plan

Employes in the harvest of the citrus crop here are affected by the National Security act, even though they are engaged in agricultural pursuits.

At least this is the interpretation of the law accepted by executives of several of the local citrus associations. Forms to be filled out by employers have been distributed by Upland postoffice letter carriers. These forms are to be filled out and returned tomorrow. Early next week another form will be distributed, this going to all the employes.

Filling out of the forms is part of the plan in putting the national security act into operation Jan. 1. Each employe is to be assigned a number of an account. Wages earned by each individual employe until the time he or she is 65 years of age will be recorded. On reaching 65 years of age, the employe will begin receiving from the government payments in the form of a pension. Money for this pension will come from a fund to be paid by the employer and the employe.

There are several phases of the state and national security program. An unemployment insurance plan exempts all employers who have less than eight employes. Under the national security act all employers and employes are to share in creating a fund and all employes will begin receiving benefits when they reach the age of 65 years.

The act points out that persons employed in agriculture are exempt. In the local interpretation of the law the exemption applies only to those persons employed directly by a rancher and not those employed by a cooperation association in harvesting crops.

Fannie Noe P.-T. A. Will Hear Special Program Wednesday

The common cold, a subject that is of interest to every mother, will be discussed by Dr. Robert I. Hodgin, city health officer, when he addresses the Fannie D. Noe P.-T. A. at the postponed meeting to be held on Wednesday afternoon, Nov. 18, in the kindergarten room.

The meeting will be conducted by the president, Mrs. Geo. W. Cassell, and a group of pupils directed by Miss Evelyn Cross will sing.

Another interesting speaker on the program will be Mrs. W. F. Goodban, who will discuss the question, "How Does Management of the Home Affect the Welfare of the Nation?", this being from article No. 3 of the Children's charter.

Mrs. Howard Ketcheson, program chairman, will give a brief history of the Children's charter.

Mrs. Lee K. Bigley, hospitality chairman, has requested mothers of Mrs. Kouts' room to serve as hostesses during the concluding social hour.

Diphtheria Toxoid Is Given Ontario Youths

Ontario school children were today being administered a toxoid as a preventive against diphtheria. A second treatment will be given Dec. 1. Later in December the children will be subject to the Shick test to determine whether immunization has been accomplished.

W.C.T.U. Will Hold Session on Friday

Members of the W. C. T. U. will hold an all day session Friday at the home of Mrs. Wm. L. Keown, 594 Eaet Ninth street, it is announced by Mrs. Ralph H. Marr, president, who urges that all members remember the current events and the gifts for the Eagle Rock home.

The business meeting will be held in the morning, beginning at 10:30.

A Progressive and Important Industry

We take off our hats to the automobile industry—they are taking the lead in the matter of bringing the country out of the depression. The same has been true of this gigantic industry in previous times of economic stress. Just at the time when it seems things are about at their worst the automotive industry takes a bold step and announces they are going to step things up—and they make good their word.

That industry provides the largest market for a number of raw materials—therefore as that industry stimulates the buying of new cars it spreads the means of recovery to the steel industry, plate glass, nickel, lead, mohair, gasoline and other lines. And now for the fifth successive year this great automobile business looks forward to a still widening market and increased production—which means also that demand for other products they use will be increased accordingly.

The United States News makes some interesting comments regarding the great improvement in automobiles and at the same time the drastic reduction in the prices of cars. There is no doubt about it—the automobile of today which costs less than $1000 is a better and more luxurious car than could be purchased a few years ago for twice that amount. The News points out that in 1928 the people of this country bought 3,250,000 new passenger cars at a cost of $2,920,500,000—an average of $898. For the year ending Oct. 31 it is estimated Americans bought the same number of automobiles at $2,283,500,000—an average of $702. This shows an average saving of $196 to each buyer—or a total saving of $637,000,000.

How has this been accomplished? Perhaps in former years the American public paid too much for its automobiles—but there is also no doubt that economies in manufacturing and merchandising the industry has made have also been a factor in this large saving to the public. Today there is practically no manufacturer which does not put out a low priced automobile—although they may have cars selling at several thousand dollars each. We believe the vast improvement in cars in the low priced field made such a step as this necessary on the part of the manufacturers who formerly did not put out any cars at less than $1500 to $1800 and on up. Perhaps it is another case where "necessity is the mother of invention." And at present it would appear that the day of the high priced automobile is past its selling peak. This is not true because many people cannot afford to buy higher priced cars—but because they can get a better car now for less than half they had to pay in former years. Howard S. Welch, chief of the Automobile-Aeronautics Division of the Department of Commerce, points out that "the average five-passenger, four-door sedan of today in the $800 to $950 retail price classification has as much room and provides as much comfort to passengers as the $1500 to $1600 automobiles of 1928."

There have been many who laid our economic ills onto the automobile. But we can but wonder what all the millions who are employed in the automobile and allied industries would now be doing if they did not have employment because of the automobile. Automobile transportation in all its branches—including manufacturing, servicing and sales, truck and bus drivers, highway maintenance and chauffeurs—gives employment to six million persons, or one out of every seven who are gainfully employed. Take a look over our own community and see how many are furnished employment—and the materials and finished products used—on account of the automobile.

And now comes along the trailer industry, which is assuming huge proportions—a result of the automobile. These are seen in all classes from the very small and unequipped to these of the most luxious appointments with all the comforts of the modern home. The trailer has already reached such numbers that some are wondering what effect it will have on the future mode of living in our country. Certainly it provides a cheap method of travel for many who perhaps have not been able to "go places and see things" because of the expense.

"Time marches on"—and the world moves on. Nobody can foresee what a few years in the future will bring forth.

Have You Joined?

Have you joined the Red Cross? There is still time to become one of the thousands to answer the annual roll call this year. It continues until Nov. 26.

Probably few people appreciate, in more than an abstract way, the work of this organization in carrying relief to the victims of disaster. It is highly specialized, scientifically executed work, carried on by experts who know every need of a stricken community. They function with all the speed and clocklike precision of a trained army.

You may have heard that in the past 55 years the Red Cross has functioned at the scenes of 1900 disasters, that its membership includes eleven million persons in this country, and that it has expended $109,500,000 in the cause of mercy. You may have heard—and promptly forgot.

This community had a sample—in a small way—of what the Red Cross means when the flood struck San Antonio Heights last February. Local Red Cross workers were on the job and help was given where it was needed. One never knows when flood, earthquake or some other calamity may strike—and when the help of the Red Cross will be needed. At such a time as that the Red Cross is not soon forgotten. Your home wiped out, your family separated, your food, clothing and shelter gone—perhaps you'd remember the Red Cross then. Why not remember it now—while your help is being asked in behalf of others?

One-half of every dollar Red Cross membership remains at home and is spent by the local chapters for worthy causes in the community. It helps the needy not only in time of a calamity, but functions efficiently where its help is needed—and many here would be surprised if they knew how many have benefitted by Red Cross money in our own community. Larger amounts than the regular one dollar membership are paid by some—in which case all but fifty cents of the total amount remains with the local chapter.

If you haven't taken out your annual Red Cross membership—do it now.

That man Lemke who was a candidate for President—and who was pledged many thousands of votes he did not get—got a job out of the election. Back in North Dakota it seems perfectly lawful for a person to run for more than one office at the same time—and that's what Lemke did. He was a candidate for Congress—and was elected—so that gentleman finds himself better off than some others who were candidates for President. Well—they will know something about Lemke when he gets into the national Congress in Washington.

A lot of people who learn the lesson of saving their money while a depression is on forget all about it when things begin to get better. They should prepare for the next "rainy day."

Notes of Society

Members Entre Nous Club Entertained At Luncheon

Taking her guests to the Upland inn for luncheon, Mrs. Mary Eckerman was hostess Friday to members of the Entre Nous club. The table was attractively decorated with chrysanthemums and an excellent luncheon was enjoyed.

The group adjourned to Mrs. Eckerman's home, 477 Euclid avenue, for the afternoon session, with Miss Mina Ruesink, the club president, conducting a brief business meeting. Beautiful roses from Mrs. Eckerman's garden were used in the house decorations.

Miss Ethel Leeke, whose informal talks on psychological subjects are a feature of the club meetings, discussed personal charm, which she defined as the "power to please and attract." The most charming persons, she said, are those whose lack of fear permits a free and unrepressed expression of their personality.

Many who lack the power to charm, according to Miss Leeke's explanation, may find the cause in fear in some of its varying forms. Fear is a negative emotion, Miss Leeke pointed out, and binds and restricts; it is a boomerang, returning to create a mental ghost to haunt the one who gave it expression.

Fear of the opinion of others may cause one to be timed and to appear expressionless; fear of loss of one's possessions often develops greed and selfishness, deadening generous impulses and restricting free expression of a buoyant, happy personality.

These and many other fears can be eradicated by seeking out their origin and then making determined effort to develop their opposites, faith, courage, friendliness, generosity, spontaneous response to happy impulses, etc.

An interesting round table discussion followed Miss Leeke's talk.

Five visitors were in attendance, they being Mrs. Alfred Smith of Los Angeles, former reisdent of Upland and guest of Mrs. John Anderson; Mrs. Ethel Rohr of Ontario, Mrs. Gust Anderson, Mrs. Grace Hooper and Mrs. Frank M. Baxter. The club members present were Mrs. W. H. Andrews, Mrs. Henry Harms, Mrs. Alice Erixon, Miss Mina Ruesink, Mrs. F. B. Harn, Mrs. John Anderson, Mrs. C. E. Tyler, Mrs. M. E. Titus, Mrs. L. E. Moser, Miss Ethel Leeke, Mrs. H. C. Hornburg, Mrs. M. E. Hilty, Mrs. W. H. Tuttle and Mrs. Eckerman.

Members of Pioneer Embroidery Club Enjoy Party

Members of the Pioneer Embroidery club had the pleasure of being guests of Mrs. S. G. Moore Friday when they gathered at her home, 525 Euclid avenue, for their November party.

A contributed dish luncheon was enjoyed at the noon hour and the guests and their hostess chatted over their sewing during the afternoon.

Attending the party were Mrs. Minnie D. Goodrich, Mrs. R. C. Norton, Mrs. J. F. Sawyer, Miss Saidee Sawyer, Mrs. A. L. Palis, Mrs. Grace Paulin and Mrs. Moore.

Mrs. Brest Entertains At Luncheon for Coterie Club

Entertaining with a luncheon preceding the usual bridge tourney, Mrs. G. A. Brest was hostess to members of the Coterie, club Friday afternoon at her home, 478 First avenue. Choice chrysanthemums were used to adorn the luncheon table.

Some itme was spent about the bridge tables and at the conclusion of the tourney Mrs. T. M. Nicholson was awarded first prize and consolation prize went to Mrs Maud M. Brogan.

Mrs. Brest's guests were Mrs. T. M. Nichols, Mrs. Perry O. Long, Mrs. W. C. Cline, Mrs. Isabelle Wisely, Mrs. Maud M. Brogan, Mrs. William Springer, members of the club, and Mrs. Loring N. Kirk and Mrs. Gordon C. Day.

Mr., Mrs. Fies Attend Military Wedding In Glendale

Mr. and Mrs. Harry S. Fies of 1042 Washington boulevard had the pleasure Saturday evening of attending a military wedding in the Wee Kirk o' the Heather in Forest Lawn Memorial park, Glendale, the bride being Miss Dorothy Mae Pierce of Hollywood and the bridegroom Ensign Robert Alexander Chandler, son of a naval officer.

Mrs. Fies' small nephew, Larry Joe Whipple of Glendale, was ring bearer and her niece, Joyce Ruyle of Los Angeles, served as flower girl.

Mr. and Mrs. Fies also were present at the reception held at the bride's home in Hollywood, 200 guests being present.

Mrs. Baxter Will Give Second in Series Book Reviews

Second in the series of four book reviews being sponsored by St. Mark's Guild through the courtesy of Mrs. Cleland F. Baxter (Caroline Brownson) of Pasadena, is scheduled to be given during a tea to be held on Wednesday afternoon, Dec. 2, and members of the parish and many others in the community are looking forward to the event with much pleasure.

Mrs. George W. Barrett, wife of the rector, will open the rectory for the benefit tea and program, which will begin at 2:30.

Mrs. Baxter, who already has established an enviable reputation as a book reviewer of more than ordinary ability, wins new laurels with each appearance and she receives frequent calls from many of the prominent women's clubs and other organizations in Los Angeles and neighboring cities.

When she appears here on Dec. 2, Mrs. Baxter will review "Gone With the Wind," by Margaret Mitchell, a gripping story of the Old South in Civil war days. This is a new book and a current best seller. As told by Mrs. Baxter, the story will become as vivid as in a real dramatization.

Tickets may be secured from any member of St. Mark's Guild, of which Mrs. G. A. Hanson is president.

Mrs. Wisely Hostess To Pochionu Club At Her Home

Members of the Pochionu club were guests yesterday of Mrs. Isabelle Wisely at her home, 995 Washington boulevard, where they enjoyed a merry afternoon.

The party began with a contributed dish luncheon and the remainder of the time was spent playing bridge. At the conclusion of the tourney high score prize was awarded to Mrs. Wisely, while Mrs. Blanche M. Loch won second and Mrs. Lloyd Gilmore, consolation awards. The guest prize went to Mrs. Geo. P. VonStein.

Attending the party were Mrs. H. L. Presba and Mrs. H. D. Robbins of Ontario; Mrs. W. M. Keen and Mrs. Wm. O. Rogers, of Pomona; Mrs. Lloyd Gilmore, Mrs. N. W. Brian, Mrs. Roy Creighton, Mrs. Blanche M. Loch, Mrs. Perry O. Long, and Mrs. Isabelle Wisely, members of the club, and Mrs. Geo. P. VonStein, Mrs. C. O. Deverts and Mrs. Edna Turner.

Rebekahs Enjoy Party Following Meeting

First nomination of officers was the major business given attention during the regular meeting of Silver Link Rebekah lodge held on Friday evening in the I. O. O. F. hall, with Mrs. H. L. Davis, noble grand, presiding.

The lodge meeting was followed by an evening of social pleasures, with various games being played, many of them being trick games appropriate for the day, Friday, the thirteenth. Late in the evening refreshments were served.

The committee in charge of the social evening included Mrs. A. H. Stull, Mrs. Harold B. Anderson and Miss Maurine Chappell.

* * *

Silver Link Circle Meets Wednesday

Silver Link circle of Rebekah lodge will hold its November social session Wednesday when the members meet in the lodge hall in the I. O. O. F. building. An all-day party will be held and a contributed dish luncheon will be held at noon.

Mrs. John Swoap will be hostess for the day.

Wife: "I wish to select a birthday present for my husband. He doesn't drink, smoke or play cards."

Clerk: "Is he fond of fancy work?"

Public Is Invited to Hear Address at Woman's Club

Expected to be one of the outstanding events to be given during the club season, the scheduled appearance of Rabbi J. M. Alkow of San Bernerdino at the meeting of the Upland Woman's club next Tuesday, is attracting wide attention.

Rabbi Alkow recently spent several months in Europe and the Near East and he is to speak on the topic, "The Truth About Palestine."

A widely traveled and well informed man, Rabbi Alkow also is a fluent speaker. He is an authority on international affairs and has made a special study of conditions in Palestine.

Believing the address will be of general interest and wishing to express their appreciation of the support given club activities by the residents of the community, the club members have arranged to open the meeting to the public and all interested persons are cordially invited to attend and hear Rabbi Alkow. There will be no admission charge and club members will not be required to use their guest cards for the friends they bring.

* * *

The logger walked into the department store and sidled up to the lingerie counter.

"I want to get a pair of stockings for my wife," he said.

"Sheer?"

"No, she's up at camp."

Leon Durhams Return From Tennessee

After an absence of six weeks, Mr. and Mrs. Leon Durham returned Monday from a visit with relatives in Tennessee. They made the trip by train, which gave them more time in their former home state and they visited their relatives and friends in Sharon, Tracy City and Shelbyville. The autumn weather in Tennessee was delightful, even the rainstorms being enjoyed, and on election day the first snow storm of the season was experienced. The frosty weather turned the forests and the entire countryside into flaming color, the long-time residents saying never before have they seen the foliage so gorgeous.

On the return trip Mr. and Mrs. Durham visited Mr. Durham's niece in Tularose, N. M., a nephew in El Paso and friends in Phoenix, Ariz., their former home.

* * *

The teacher of a Sunday school class explained the story of Elijah and the prophets of Baal—how Elijah built the altar, put wood upon it, and cut the bullock in pieces and laid them on the altar.

"And then," she said, "he commanded the people to fill four barrels with water and pour it over the altar, and they did this four times. Now, can anyone tell why this water was poured over the bullock on the altar?"

"To make the gravy!" came a prompt reply.—Pathfinder.

Job's Daughters Go To Convention In Pasadena

State convention of the grand bethel of Job's Daughters held last week in Pasadena drew a large attendance of members of the local bethel, which includes girls in Ontario, Upland and other West End communities. Mrs. Isabelle Wisely, guardian of the local bethel, attended the session throughout the week and a large number of the girls went down for various sessions, a group of more than 20 attending the reception held one evening for the grand officer. Again Friday night a large group went in for the convention banquet and remained over at Hotel Green for the Saturday activities, which included the "Job's Daughters Hour," the installation of the new grand officers and the grand ball in the evening.

Local News Briefs

Mrs. F. W. Williams of West Arrow highway has returned from Los Angeles, where she spent several days visiting with her sister, Mrs. Frank E. Vaughan, and attending the preaching mission.

Mrs. A. M. Hawkins of West Thirteenth street, and Mrs. Elizabeth Townsend of Ontario motored to Hollywood Monday and were accompanied home by Mrs. Alice Brown, formerly of Ontario, but now residing in Hollywood. Mrs. Brown is the guest of Mrs. Hawkins for a few days.

Mr. and Mrs. C. J. Dreher arrived Monday from their home in Biggs, near Oroville, and are guests of Mrs. Dreher's brother-in-law and sister, Mr. and Mrs. T. M. Nichols, 393 First avenue. The visitors expect to remain here until after Thanksgiving.

Mr. and Mrs. A. P. Moremen of Euclid place are happy over the announcement of a new granddaughter, a girl being born to Mr. and Mrs. Blackwell Smith in New York. A telegram was received by the local couple Saturday morning telling of the arrival of the new daughter. Mrs. Smith is the former Geneva Moremen.

W. P. Stewart, LaVerne, is to report to Judge D. J. Burlingame once a month for a year, is to pay a $50 fine, and is to abstain from drinking intoxicating liquors for a year as the result of a penalty imposed by the magistrate. Stewart was arrested for driving while intoxicated. A 30-day jail sentence was suspended for a year.

Mrs. W. H. Powelson, 595 East Nineteenth street, Alta Loma, had the pleasure of entertaining a number of her relatives on a recent day and a happy gathering was enjoyed. In the group were Mrs. Powelson's mother, Mrs. Dora Phillippi of Huntington Park, and four sisters: Mrs. Edward Eymann, also of Huntington Park; Mrs. I. F. Cowan of Hollywood, and Mrs. Iva Benton and Mrs. Edward Secker of Los Angeles; also a niece, Mrs. John Reed of Monrovia.

Because of the delay in mails from the Orient due to the strike, Mr. and Mrs. R. C. Norton have not yet received word from their daughter, Miss Mary Norton, since her arrival in Shanghai, China, where she is visiting with her cousins. However, they received letters from her mailed in Tokyo and Yokohama. The last letter told of encountering a typhoon off Japan, the experience being quite a thrilling one. Miss Norton proved herself a good sailor and was not ill during the entire voyage, not even during the storm. She sailed from Wilmington on Sept. 26 and was due to reach Shanghai on Oct. 20.

H. J. Clewett, Mr. and Mrs. Leslie Strawn, Mrs. S. A. Yeagerline, Mrs. Sadie Banner, Mr. and Mrs. Earl Riggs, Mrs. C. F. Riggs and Mrs. Elizabeth Taylor motored to Los Angeles last evening and attended the meeting held in Patriotic hall, with the feature of the evening being the installation of Dr. Frank Barrett of Huntington Park as national patriotic instructor for the Sons of Union Veterans. Many members of the Sons of Veterans camps and the Woman's Auxiliaries from Southern California were in attendance and the installation was made a gala event.

Mr. and Mrs. J. W. Freeman of Los Angeles were guests Sunday of their son-in-law and daughter, Judge and Mrs. Fred H. Jacobs at 411 Eighth avenue.

Miss Helen Guy, who has been taking a course at the Ontario Secretarial college, last week accepted a position with the St. Paul Fire & Marine Insurance Co. in Los Angeles.

Mr. and Mrs. W. F. Kitchel and their daughter Betty spent the week end at Manhattan Beach visiting with their son-in-law and daughter, Mr. and Mrs. Earl Kitchel.

Mrs. H. C. Kennedy has received word from Mrs. Mae Cable in New Brighton, Pa., telling of the death of her brother, John Sherwood, who passed away on Armistice day. Mrs. Cable has been living in New Brighton since leaving Upland more than a year ago.

Mrs. A. A. Aita is in Shreveport, La., at the bedside of her father, who is critically ill there. Mrs. Aita left here Friday night when notified of her father's illness. Word from her to Dr. Aita is to the effect that her father is in a critical condition.

Mrs. George H. Crill, who has been residing in Rockford, Ill., since last February, returned to Upland Sunday and is again established in her home at 443 North Euclid avenue. Mrs. Crill has divided her time between Upland and her former home in Illinois for the past few years, but she now will reside here permanently.

Mr. and Mrs. Robert Vanden Berg (Dorothy Miller) of Huntington Park have given a happy welcome to a fine son, the baby having been born Monday at the Bell maternity home in Bell. He weighed five pounds 10 ounces and has been given the name of Paul Robert. The youngster is the first grandchild of Mr. and Mrs. C. C. Miller of 535 First avenue, and Mr. and Mrs. P. H. Vanden Berg of 1240 North Euclid avenue, Ontario.

Notes of Society

Smith-Bower Wedding Is Lovely Church Event Sunday

Another Chaffey romance culminated in a wedding when Miss Eva Mae Bower and Larry Hunter Smith were united in marriage Sunday afternoon at 3 o'clock in a ceremony performed at the First Christian church at A and Vine streets, Ontario.

More than 200 guests were present to witness the nuptial rites, which were read by the Rev. Arthur F. Ritchey, pastor of the church.

Huge palms and white chrysanthemums were used in the decoration and formed an attractive setting for the service.

Miss Bower, who was given in marriage by her father, was gowned in traditional white satin, made en train and with which she wore a long tulle veil capped in halo effect with orange blossoms. Her shower bouquet was fashioned of white rosebuds and maidenhair fern.

Pink lace trimmed in blue formed the gown of the matron of honor, Mrs. Paul Balding, who carried an arm bouquet of Talisman roses and maidenhair fern.

The bridesmaids were the Misses Jeanette Ryder, Madeline Kirk of Bell, Mrs. Wilbur Reed and Miss Marian Knight of Hollywood. Each was dressed in blue lace and carried a bouquet of pink sweet peas and blue delphinium. Miss Kirk and Miss Knight are cousins of the bride.

Gene Smith, brother of the bridegroom, served as best man and Harry Smith of Inglewood, also a brother of the bridegroom, and Wilbur Reed, Willard Bennett and Paul Balding were ushers.

Master Teddy Smith, small son of Harry Smith and nephew of the bridegroom, served as ring bearer, being cunningly dressed in navy blue and white. The flower girl was little Marian Knight of Hollywood, second cousin of the bride, and she wore a dainty frock of blue organdie.

Music for the ceremony was provided by Miss Thelma Peters, pianist, who played Wagner's "Bridal Chorus" from "Lohengrin" as the processional and Mendelssohn's "Wedding March" as the recessional. Miss Kathleen Beckley, accompanied by her mother, Mrs. Charles Beckley of Alta Loma, sand "Ah, Sweet Mystery of Life."

Mrs. Bower, mother of the bride, wore a gown of purple crepe with grey coat, hat and other accessories, while Mrs. Smith, mother of the bridegroom, wore a navy blue ensemble of matelasse crepe, with navy blue hat and veil and blue accessories. Each wore a corsage of sweet peas, gardenias and fernery.

After the ceremony a reception was held for the bridal party at the home of the bridegroom's parents on Seventh street, Upland.

Refreshments were served at an attractively appointed table that was graced with a huge white wedding cake decorated with the traditional white doves and miniature bridal pair. Standing beneath a large wedding bell, the bride cut the cake, which was served to the guests.

Miss Bower is the daughter of Mr. and Mrs. R. E. Bower of South Archibald avenue, Ontario. Mr. Smith is the son of Mr. and Mrs. Milo Smith of 672 East Seventh street, Upland. Both graduated from Chaffey high school and junior college.

Mr. and Mrs. Smith left immediately for Venice, where they will reside at 2903 Lincoln avenue. Mr. Smith is employed in the office of the Douglass Aircraft Corp. plant in Santa Monica.

HALF OF GOLFERS OUT IN TOURNEY

First Round Results Eliminate Players—Pairings for New Round Listed

With the first round of the president's tournament at the Red Hill Country club over with, only half as many golfers are today in the competition. Pairings for the second round were announced today by Pro Tommy Sheehan as follows:

V. C. South vs. C. Williams; A. O. Allen vs. C. E. Kirk; C. S. Duncan vs. J. Powell; L. M. Dickens vs. N. A. Springer; J. Bowden vs. J. A. Condit; H. C. Wassman vs. B. L. Bergstrom; Joe Marshall vs. C. C. Peabody, and Harvey Chapman vs. Frank Parkin.

The first round eliminations resulted in the following scores:

South defeated E. R. Bailey, default; Williams won over William Batchelor, 4 and 3; Allen defeated N. McNeill, 4 and 2; Kirk cut shot C. C. Denio, 2 and 1; Duncan won over Robert Uhl, 3 and 2; Powell went 19 holes to defeat Dr. R. S. Rasmussen 1 up; Dickens defeated H. S. Magill, 4 and 3; Springer eliminated R. G. Cawsey 1 up, 19 holes; Bowden cut shot Carl Holmer 2 up; Condit and Jim Pittenger ended 2 up favoring Condit; Wassman won over W. M. Rugg, default; Bergstrom out played J. E. Walker, 5 and 4; Marshall defeated J. S. Thomas 2 up; Peabody defeated E. B. Williams 4 and 3; Chapman won over A. R. Gemmel, 2 and 1, and Parking eliminated Beecher Hungerford 5 and 4.

Department Heads Will Visit Ontario W.R.C. on Nov. 19

Several departmental officers will be entertained by the Woman's Relief Corps Thursday afternoon when the corps undergoes official inspection, with the full ritualistic work being put on.

The meeting will open at 1 o'clock and continue throughout the afternoon and all officers and other members of the corps are urged to be present.

Inspection will be conducted by Mrs. Pearl M. Cross, department inspector, and others present will be Mrs. Mamie Deems, department president, and Mrs. Mary Buckingham, department treasurer.

The meeting of Ontario post, G. A. R., will be held at 1:30 as usual.

Townsend Club To Hear Speaker and Musicians Tonight

Wm. R. Cogswell of San Bernardino will be the speaker at the meeting of the Upland Townsend club to be held this evening in the Upland Woman's club house, and the club members are looking forward to an interesting address.

A special feature of the evening's program will be the group of numbers presented by Charles Smith, musical bottle artist, and Geo. P. Lutz, who plays several instruments. These musicians have played before numerous West End organizations and always are enthusiastically received by their audiences.

The free guessing contest in which a prize will be awarded is expected to afford some amusement.

A school boy in North Dakota said in a test paper that the United States treasury is the place where "the money goes round and round and comes out here."

Chinese Atmosphere To Feature Church Dinner and Address

Using stereopticon slides showing various phases of missionary work in China, Waldo Reinoehl, who has done much work in Singapore, will be the speaker at the Chinese meeting to be held Wednesday evening in Fellowship hall of the Methodist church under the auspices of the high school and college departments of the church.

Fellowship hall will be transformed into a Chinese dining room and at 6:30 a real Chinese dinner will be served, with chop sticks being supplied as the necessary "implements."

Tickets for the dinner and entertainment are being sold at 35c and the funds will be used to support the work being done in northern China by I. Hsin Liu, a Christian native who is working among his own people.

All features of the evening promise to be of more than ordinary interest and a large attendance is expected.

Girl Scout Friends To Be Entertained Tomorrow by Board

By way of expressing appreciation for the aid given by all who contributed during the Boys and Girls Work campaign and by other friends of Scouting, the board members of the Chaffey Girls Organizations will hold an open house and tea from 3:30 to 5:30 Wednesday afternoon at Scout house on Third avenue.

Girl Scout Mariners of Viking IV ship will be in charge of exhibits showing the Girl Scout program, and folk songs will be sung by the glee club of Troop 3, Upland, under the direction of Mrs. Ralph Wilson. There will be folk dancing by girls of troop 19, Cucamonga, under the direction of Mrs. Paul Walter, and Miss Helen Gillard will speak briefly of the work of the organization.

Mrs. Chas. V. Benson, chairman of the social committee, will be assisted by Mrs. Kenneth I. Hanson, president, and Mrs. William Rugg, Mrs. J. F. Grass, Jr., and Mrs. Donald Kieth. Mrs. A. A. Aita, member of the committee, has been called to New Orleans by the illness of her father.

Girls of troop No. 20 will assist with the serving during the tea hour.

Increase in Turkey Production Lowers Birds' Market Price

Local people eating turkey for Thanksgiving will not have to pay so much for the holiday meat as they did a year ago—and turkey growers in the county will not get as much pay for their work as last year.

That was the situation today as the market price for turkeys ranged from 19 to 27 cents.

Reason for the lower prices is the increase in number of birds raised. In this county about 40,000 turkeys have been raised. Reports from western states state 15 to 20 per cent more turkeys have been raised.

Bethany Union Aid To Give Cafeteria Dinner on Friday

With support of their missionary work in mind, members of the Ladies Aid society of the Bethany Union church in San Antonio Heights will hold a cafeteria supper Friday evening, Nov. 20, at the home of Mr. and Mrs. H. B. Hamilton on Euclid avenue.

Serving of the supper will start at 5:30 and later in the evening there will be a program of amusement and entertainment. A handsome quilt will be auctioned and aprons and other articles will be sold, it was announced today by the president of the Aid, Mrs. William Tyler.

Arrangements for the benefit event are being made by Mrs. J. I. Countryman and Mrs. Bert Collins and members of their committees.

All friends of the church are invited to be present for the dinner and entertainment.

Interesting Display Of Telescopes Is On At Pomona Library

J. E. Chambers, who is conducting a night class in popular astronomy at Chaffey, is cooperating with Albert Sheets of Pomona and others in a display of astronomical telescopes at the Pomona library and says many interesting telescopes are being shown there for a month, the public being invited to see the exhibit.

There are a number of telescopes on exhibition, some only partly completed and of the simplest mountings, while others are more elaborate and very complete. Among the latter is one completed by Mr. Chambers, who has also produced an 8½ inch telescope of his own make—now being used at Chaffey—and is making a 12½ inch instrument to be installed for Chaffey junior college.

At the Pomona exhibit are grinding materials and testing apparatus, while also being shown is a series of pictures showing the eclipse of the moon in this vicinity several years ago, and a 24-hour Sideral clock giving the position of the planets at any time of the day or night during November.

The exhibit is one of great interest to those interested in telescopes and astronomy. It is hoped all attending will register, as a club may be organized as a result, the city of Pomona offering to donate the site for a small observatory on Ganesha Hills.

CHAFFEY KEEPS UP WINS ON GRIDIRON

Fullerton Taken 8 to 0, With Two Tough Games Ahead For Panthers

It took a lot of Chaffey jaysee fight to down Fullerton 8 to 0 Friday night, and it will take a lot more for the Panthers to down the league leaders at Santa Ana Friday of this week.

Losing only one game, Chaffey is rated one of the top teams in the Orange Empire conference but there are two tough elevens yet to face—Santa Ana and Riverside. The Panthers cannot lose another game or they will be out of the running.

A bitterly fought game here on Friday night enden in a Chaffey victory when a fourth-quarter pass and two plunges brought a touchdown. A few minutes later a Fullerton ball-packer was caught behind the goal line for two points.

A trifle off form were some of the Panthers against Fullerton or it might have been a decisive victory. In any event, the Panthers held the upper hand throughout most of the game.

In the opening Panther line-up were Martensen and Rothrock, ends; Johnson and Delahoyde, tackles; Utman and Lasswell, guards; Orsborn, center; Brewer, quarterback; Brown and Ovitt, halfbacks, and Frost, fullback.

Substitutes included Wager, Hill and Studler, halfbacks; Anderson and Regan, fullback; Reed, quarterback; Casaletti and L. Smith, ends; Thompson, Ward and Jones, tackles; O'Brien, guard, and Wallace, center.

ETIWANDA

ETIWANDA, Nov. 19.—Mrs. E. C. Appel, Mrs. John Scott, Mrs. Chas. Donnely and Mrs. A. A. Werner represented the Etiwanda P.-T. A. at the adult education class at Chaffey junior college Thursday morning. The lecture was given by Mrs. Dorothy Baruch of Broadoaks kindergarten and nursery school at Pasadena. This week's class, which will be held Thursday morning at 9:45, will be conducted by Dr. Nadina Kavinoky of Wilshire Medical building, Los Angeles.

Judge Thomas Donnelly accompanied Mr. and Mrs. Kreider of Long Beach on a quail hunting trip to the Mojave desert over the week end.

Mr. and Mrs. W. G. Pearson and Mr. and Mrs. Fred Burger were guests at a dinner bridge party at the home of Mr. and Mrs. Fred Hulley at Del Rosa Saturday night.

Mrs. Lue B. Dooley, Mrs Thomas Donnelly, son David and daughter Dorothy were guests of Mr. and Mrs. Delbert Harris of Riverside Sunday.

Mr. and Mrs. W. G. Pearson motored to Long Beach Sunday to visit their cousins, Mr. and Mrs. W. G. Caldwell.

Mr. and Mrs. Chas. Donnelly, sons Richard, David and John, and daughter Sara Jean motored to Red Rock canyon last Wednesday for a picnic party.

R. S. Jones and son Roger accompanied a party of Ontario friends quail hunting in Coachella Valley Sunday.

Miss Helen Jane Riley was an over night guest of Miss Elizabeth Donnelly last Wednesday.

Miss Sarah Leadley and brother Charles of Denver, Colo., who are spending the winter at Phoenix, Ariz., were week end guests of Mr. and Mrs. A. A. Werner and with them motored to Lake Arrowhead and Bear lake Sunday.

ALTA LOMA-CUCAMONGA

Bazaar-Dinner Planned

Completion of plans for the Christmas bazaar and dinner to be held by the Woman's Guild of the Cucamonga Community church, was accomplished during a recent all-day meeting of the guild held at the church.

During the morning the women did considerable sewing for the bazaar, cutting and making aprons, tying quilts, etc. A contributed dish luncheon was served at the noon hour and was followed by the business session conducted by the president, Mrs. W. H. Powelson. Sewing was resumed during the afternoon, with numerous articles being made.

The bazaar will be held in the evening of Tuesday, Dec. 1, in the community hall in the church basement. There will be a number of booths filled with all kinds of articles suitable for Christmas gifts, including quilts, aprons, tea towels and various pieces of needlework, also candies, preserves, jellies, etc.

At 6 o'clock a family style dinner will be served and during the evening there will be an amusement program for the young folk.

Members of the Guild plan to hold another all-day sewing session within a short time.

Birthday Dinner Enjoyed

Mr. and Mrs. Ralph T. Santolucito had the pleasure recently of entertaining in happy fashion for a number of relatives and friends at their home, 208 West Foothill boulevard, Cucamonga. The occasion was a birthday anniversary celebration, the honored guest being Mrs. Santolucito's mother, Mrs. M. I. McCarty, 112 San Bernardino road.

The centerpiece for the smartly appointed table was a beautifully decorated pink and white birthday cake. Two of the guests, Mrs. Helen Dove and Mrs. Perl Parker, observe their birthdays one day before and one day after Mrs. McCarty's, and in recognition of their anniversaries dainty individual birthday cakes were placed beside their plates.

Enjoying the birthday celebration were Mr. and Mrs. M. I. McCarty, Mr. and Mrs. Fred McCarty and Mrs. McCarty's mother, Mrs. Perl Parker of Fullerton; Mrs. Helen Dove of Fullerton, Mr. and Mrs. P. H. Krick and Miss Alice Beckett of Anaheim, and Mr. and Mrs. Santolucito.

Service Club Holds Meeting

Returning to the Sycamore inn for the winter meetings after enjoying outdoor gatherings during the summer the Cucamonga Service club met in regular sessions on a recent evening with 30 members in attendance.

Wm. B. Hutton, president, presided and during the dinner hour the men were well entertained by a group of youthful artists Derelys Ann Wainright, accompanied by Miss Wren Rucker, and Prudence Relph, accompanied by George T. Duley, each appeared in a number of tap dances, and Vito Mandala, talented accordionist, played several numbers on his handsome instrument.

During the business session John H. Klusman, the club's representative in the county chamber of commerce, reported on the successful efforts of the group to secure inclusion of Foothill boulevard and Nineteenth street improvements in the state highway budget. He told of the decision to widen Foothill boulevard into a four-lane highway and to materially improve Nineteenth street.

The club is planning to observe ladies night on Nov. 23 and Ben Vizio, Rudy Brummond and John Potane were named as the committee on arrangements.

Mr. Hutton told of the very successful dinner given recently by the business men and other baseball fans in honor of the baseball club, approximately 50 persons being present.

The meeting was closed with a surprise birthday party for John H. Klusman, who was deluged with a gift shower.

Artists to Present Program

Appearing under the auspices of the Alta Loma Parent-Teacher association, the Guadagno-Davis Musical Co. of Hollywood, which includes a number of talented musicians, will present an outstanding program in the Alta Loma school auditorium on the evening of Friday, Nov. 20, it was announced today by Mrs. Joe G. Krick, president of the P.-T. A.

The program will begin at 7:30 and will include guitar, violin, piano and trombone numbers, dramatic readings, and songs. James Neill Northe of Ontario will introduce a new song.

The program is being presented as a benefit for the P.-T. A. and a small admission charge will be made. The funds secured will be used in carrying on welfare work in the school.

TURKEY TICKETS

H. A. McKEEN, PROP.
260 SECOND AVE., UPLAND

LAST WEEK to get TURKEY TICKETS

....from Upland Stores

38 Turkeys

Given Away
Saturday, Nov. 21

At 8 p. m. a drawing will be held on Second avenue, midway between Ninth and C streets. Containers holding ticket stubs from all participating stores will be brought to this one location for drawing. To win, persons holding tickets drawn must be present. (Note exception given below). Tickets will be drawn from each store's box until all the turkeys are given away.

Each participating store is giving away a turkey. Upland retail stores will give away 28 big, dressed Thanksgiving birds. The Upland Theatre will give away 10 turkeys at the movie house later in the evening.

At time of the drawing the dressed turkeys will be at various local meat markets. They may be obtained by the winners Saturday night or any time prior to Thanksgiving day.

(Danner's Bakery and Booth's 5-10-25c store are not requiring that holders of their tickets be present. Numbers of the winning tickets will be displayed in their store windows.)
